

Celebrating 91 Years of Compassion!

For 91 years, we've opened our doors—and our hearts—to animals in need. From humble beginnings to thousands of lives saved, our journey has been shaped by the dedication of our team, the generosity of our supporters, and the resilience of the animals we serve.

**Thank you for being part of this incredible legacy.
Here's to continuing our mission—
until every paw has a home.**

About MACS

Since 1935, the Michigan Anti-Cruelty Society (MACS) has dedicated its efforts to providing refuge to stray, injured, and forgotten animals. We work to promote humane education and actively initiate affirmative legislative action. MACS provides extensive sheltering operations and pet adoption to the 3,000 animals who pass through the shelter doors yearly. We never turn away an animal in need.
