JOIN MICHIGAN ANTI-CRUELTY SOCIETY IN OUR MISSION TO SAVE THE LIVES OF ANIMALS.

Dear MACS Supporter,

Spring and Summer are often referred to as “Puppy Season” and “Kitten Season,” but due to recent weather patterns our organization has seen a large increase in the number of litters all year long. We have been working hard to stop the overpopulation problem by offering free spay and neuter clinics to residents of Detroit and the surrounding communities.

Will you help us in our efforts to help them?

Please donate to our spay and neuter fund. Along with requiring spaying or neutering, we also rely on foster homes to provide constant care for these young animals until they are old enough for adoption. These homes require food, nutritional supplements, blankets, litter pans, and medications that all greatly increase the costs of care.

Can you find it in your heart to donate to our cause?

*With our heartfelt gratitude,
MACS Volunteers, Staff, and Board of Directors*

A FRESH WINTER COAT (OF PAINT)

A Note from the MACS Board of Directors

At MACS, especially this year, winter is both a time of hardship for our baby animals, *and* a time for reflection and renewal. 2025 looks to have a bright start though, and **that's because of donors like you—as always.** Your generous support enabled us to *freshen the paint on the outside of the building*, a sign to our supporters, and all animal lovers, that *we're here to continue our mission of saving animals in need.*

Happy holidays from the MACS Board of Directors, employees, and volunteers. Since 1935, MACS has been dedicated to helping the helpless and assisting animals in need. As we look forward to the start of our 90th year, we thank you for your continued support. ***We are so very grateful for all of you and wish you and yours a safe, healthy, and happy new year!***
